

KATE GUINNESS DESIGN

Kate Guinness Design is a small, approachable and experienced team who listen to their clients' needs and respect the architectural integrity of each space. Their projects look like they have gradually developed over time, and combine eclectic furniture, fabrics, colour and art in a way that is intimate, sensitive and unique.

HELENE BOWDEN DESIGN

Helene Bowden Design puts people at the heart of designing interiors, creating authentic spaces that reflect character and feeling. A building's architecture is a starting framework, followed by interior elements layered to achieve a lasting sense of belonging that clients will love.
