MISHA ANDERSEN DESIGN

is a small company recognised for its creativity, know-how and minimalistic chic. They believe in an affordable and accessible approach to design. Short term intense projects to refresh spaces, unleash a personal touch and create a unique atmosphere. For those who are renting, just moved in or would like to renew. You’d be surprised how often “what if” works for a limited budget and short time.

CARLA BAZ

Carla Baz Studio, based in Beirut, studies heritage and cultural identity by exploring the elaborate relationship that connects the hand that draws with the hand that makes. This inspiring exchange, fostering craftsmanship and experiments, results in small editions of her sculptural yet functional furniture. Pictured is the Borgia Candelabra in brushed and polished brass. Photo by BONADEA.

ANNA BRAUND

With a philosophy that design should be bespoke and rooted in the historical aspects of architecture, Anna Braund Interiors uses pattern, form and colour to create honest expressions of each client’s spirit, focusing on memory and the power of place. Anna is a member of the International Design Leadership Network and a contributor for the Institute of Classical Architecture.
